

State of Iowa Support for Iowa Great Places project in Clinton Iowa

Increased State support will allow our project to target prioritized elements of our Iowa Great Places project. It will allow us to accelerate the elements that will lead to sales/lodging tax revenue and business activity for the State of Iowa.

Priority given to things with impact, economic return on Iowa and ability to leverage more than 1-for-1 matching funds.

\$1,000,000 – Can leverage millions of vertical infrastructure
